# YourPlay

When you join the Rewards XTRA program you will be issued with a card which is a loyalty player card.

Your Loyalty player card can link you to the YourPlay scheme as a registered player or a casual player.

You can use your loyalty player card to set a time limit of net loss limit or track your gaming machine play under the pre-commitment system called YourPlay.

YourPlay gives you the power to track how much money and time you are spending as you play. You can also use YourPlay to set limits on the money and time you spend on gaming machines and to see your playing history online at any time. YourPlay can be added to your loyalty membership card and used on any gaming machine in Victoria. You can register for YourPlay at [yourplay.com.au](http://yourplay.com.au) or ask a staff member for assistance.

YourPlay is available on all gaming machines and it is voluntary to use.

If you set limits, the limits you set are private, and based on your own circumstances and needs.

Staff cannot suggest limits for you.

When you receive this application form you will be given a YourPlay brochure that explains how YourPlay works. If you do not receive a YourPlay brochure do not complete this form and ask the staff for a YourPlay brochure.

Do you wish to be registered with YourPlay so you can use your loyalty player card to set a time limit or a net loss limit or to track your gaming machine play under the pre-commitment system?
